

**Southern Nevada Mathematics Council**  
*A geographical affiliate of the National Council of Teachers of Mathematics  
 and Nevada Mathematics Council*

**What is Southern Nevada Mathematics Council?**

Southern Nevada Mathematics Council is a professional organization promoting active interest in mathematics and mathematics education. A local affiliate of the National Council of Teachers of Mathematics (NCTM), SNMC works in affiliation with the Nevada Mathematics Council in assisting state-wide communication among northern, southern, and rural mathematics teachers in order to provide continuity in promoting mathematics and mathematics education.

**What will membership do for me?**

Southern Nevada Mathematics Council offers a variety of in-service opportunities to assist mathematics educators promote mathematical power for all of their students and set up a network of dedicated professionals willing to help and lend their support as needed. Some of the scheduled activities include general membership meetings, a local conference (for which members pay a reduced fee), professional development workshops, a variety of mathematics contests and other activities for students, and a newsletter containing information regarding scheduled activities and articles offering ideas for classroom use. Membership in SNMC also includes membership in the Nevada Mathematics Council.

**How can I become a member?**

To become a member in both the Southern Nevada Mathematics Council and the Nevada Mathematics Council, simply complete the attached form and send it, along with a check made payable to SNMC, for \$10.00 per year, to the membership chairperson.
